

THE ZAMBIA & EAST AFRICA PROJECT

The WHY

OHBC values church planting and missions; we see it as the most effective way of getting the gospel of Jesus Christ to the world. We are excited to share our 2026 Special Project. We have partnered with Joseph Haden, missionary in Zambia, Africa, for the purpose of helping local pastors and churches accomplish their ministry goals. We will also partner with The Timothy Initiative (TTI) to train men to go and plant churches in places you and I cannot go.

The exciting part about this year's partnerships is that it allows us to diversify our Kingdom investment. You need to know that souls will be saved, people will be trained for ministry, men will answer the pastoral call, and churches will be planted. There is nothing more dangerous to the powers of darkness than a single soul willing to take the Bible and boldly preach the good news of Jesus Christ to those who will listen.

The NEEDS

The Zambia Project needs include reliable transportation for church planting pastors and local pastors and each new church plant has a need of benches for seating that will fit 4-5 people and each plant will need about 18 benches.

The East Africa 2025-2027 project will span two years with a total faith goal to plant 13,125 new churches across four countries (including Kenya, Republic of the Congo, and two security sensitive countries). It cost around \$400 to train a church planter and plant a church. Our faith goal is 100 churches.

Our prayer is for God to use OHBC to turn the world upside down just like the Apostles did in Acts 17:6.

Is there anything more important than seeing eternal destinations changed?

The GOAL

In this year's Special Project, we are praying for Joseph to have the funding he needs to provide the necessary modes of transportation for his pastors, and to have benches for the new church buildings. We are also praying for an additional 100 churches to be planted in East Africa, which means 100 "Timothy's" will need to be trained. This is a 2-Year training cycle which requires the "Timothy" to actually plant a church in order to graduate the program. TTI will hold these men accountable by inspection of the ministries under the leadership of a "Paul".

How will you allow God to use you this year?

Our goal is to raise **\$65,000** which will provide Joseph Haden the **\$25,000** funding needed to assist his pastors and **\$40,000** for the training of 100 "Timothy's" for the planting of churches. On Tuesday night we will receive the offering for this work.

How You Can Be Involved

1. Pray for God to continue to do the work He's started.
2. Pray for God to reveal the amount He will allow you to give for training church planters and starting churches.
3. Pray for God to open your heart to how you can be a part of His Kingdom mission.
