Celebrating our 20th Annual Winter Conference in Chile

For the past 20 years, we have hosted an annual conference in July during Chile's winter school break. This year, several of the Chilean pastors invited me to be the main speaker. I was honored to speak 5 times during the 4-day event. Our theme was taken from Philippians 3:14, "I press towards the mark for the prize of the high calling of God in Christ Jesus." We thank God for challenging hearts to continue on in our walk with Him, in sound doctrine, and in our commitment to the Great Commission.

Nearing a contract for Peace Baptist's Property

A few days after the conference, Pastor Claudio and I visited an ideal piece of property for Peace Baptist. We were able to negotiate favorable terms. If all goes well, we will be signing a contract to purchase this land during August.

As you may know, we do not have the funds to cover this need! By faith, we will be giving a 15% down payment. Then, we will have 5 months to raise the remaining funds. Like dozens of times before, we are stepping out by faith, trusting God and asking for your help. Please pray about giving toward this need. You can send your offering to Vision Baptist Missions, marked "Chile Church Planting Land Fund - Peace Baptist."

Highlights from July

- We hosted a missions student from West Coast Baptist College for a couple of weeks. Please be praying for John Michael as he continues to pursue God's plan for his future.
- John Michael and I were able to drive 10 hours round trip in one day for the wedding of one of our Bible college students. It is always encouraging to see God work in the young couples preparing to be church planters.
- Upon returning to the States for the last month of our furlough, Lori and I enjoyed participating in several days of Vision Baptist Missions' annual "The World's Cheapest Missions Trip" in Atlanta, GA. If you are not familiar with the event, I encourage you to visit the following link for more information: <https://visionmissions.regfox.com/worlds-cheapest-missions-trip-2027>. Sign up to be a part of the event in 2027. God willing, Lori and I will be serving in this event again next year.
- In addition to the two-week trip to Chile and the World's Cheapest Mission Trip, we had the opportunity to give updates in five churches in North Carolina, Georgia, and Kansas. One of our supporters in Georgia invited me to speak for three days at their Vacation Bible School.
