Dear Praying Friends,

Aug/Sept 2026

We want to **thank you for praying** for each of our 4 church's VBS, as well as the 1-day VBS that Cautel City Baptist held in a new village. There were more than **300 who attended the 5 events with 43 professions of faith!** There were also **33 teens and adults saved and 15 baptized** these past 2 months!

To the right is a picture of the VBS at the village church, held in August. **Jose and Marifer shared a praise from Felipa, who is the lady who had been praying for 7 years for a Baptist pastor to open a Baptist church in her village before we arrived there 14 years ago. Her husband has been an alcoholic and has rejected Christ all these many years. He is now attending church – please pray for his salvation. His name is William.**

In September we celebrated the **25th Anniversary** with our first church plant, the North Merida Baptist Church and what a special celebration it was! **Each care group at this church is now organizing a community outreach** over these next few weeks, and we would like to **ask you to pray** for many to be saved and added to the church as a result. The **youth** had the first event where they presented a skit at a park and shared the gospel one-on-one with **42 people who gathered to watch. 9 of those prayed to receive Christ!**

(Pictured with us is our son, Josh, his wife, Amanda and their family - also missionaries in Merida.)

We have another praise – the **\$50,000 matching goal has now been met for the new building project! Praise the Lord!** Our Mexican church members are giving faithfully, but we still need your help! **Would you and your church prayerfully consider including this project in your end of year giving?** We look forward to the day that we are reporting to you and rejoicing with you over the multitudes of people saved, baptized, disciplined and sent out to plant more churches from this new church facility!

God bless each of you,

Larry and Tammy Allred
