

BRIAN & JAIDY Brown

Our summer was filled with mission trips to Spain and Slovakia, where we spent a month with our teams, while others went to the Dominican Republic and Panama.

Team Spain

The upcoming challenge is to step out of our comfort zone by sending 300 Mexicans to a foreign country with a different language and culture. We seek prayers for this vision and spiritual growth in 2027 and 2028.

Keegan & Bel Moodley

We have an upcoming CIMA conference featuring speakers Kyle, our son who left for Australia 2 years ago, and Keegan Moodley.

We've been impressed by Keegan's dedication to the Lord and the Great Commission during our visits to Sydney. Please pray for the event's success in fulfilling Jesus' objectives.

Kyle, Salma & Alex

Please pray for our kids: Kyle, Salma, and Alex have received their visas for Australia but need to complete further paperwork and Salma's schooling. Brandon and Abi are adjusting to marriage and pastoring, which is quite challenging, so your prayers are appreciated.
