

FILIPINO NATIONAL PASTORS PROJECT

Our fellow laborers,

September 25th, 2026

Thank you for your faithful and gracious support through your prayers and financial giving that faithfully "water" the seeds that are constantly being sown throughout our 18 Filipino ministries. The months of July and August have been frustrating weather wise as the rainy season brought its usual typhoons and monsoons often making it difficult to conduct our ministries without interruption. But our people remain committed to the task that God has given them so we rejoice. Souls continue to be saved, baptisms are consistently reported, and believers are being disciplined to see the gospel advance so that all may have opportunity to know Him.

Anthony Yamat (Mapulang Lupa, Batia, and Padre Pio)

- **Mapulang Lupa Church** - This ministry is beginning to reach capacity in regard to worship services. Recently, they conducted a sports evangelism event that the SBC children's ministry sponsored through their financial offerings during our summer VBS. It was a 3 day event with hundreds of teenagers. We praise the Lord for the 20 professions of faith that were made over the course of the three day event and the many more in the days after.

- **Batia church plant** - This work continues to remain steady. The people are attending consistently, getting disciplined, and outreach continues in the community with street evangelism and children's ministries.
- **Padre Pio church plant** - This work is already growing. We had to purchase 30 new chairs for those who attend and we have had many saved.
- **Shepherd Bible Institute** - This year's school enrollment is 62 students to whom we are continuing to teach the word of God through our 4 year program preparing them to serve in full time Christian ministry. We are continuing to pray for the \$140,000 needed for our new school building.

TEACHING, TRAINING & FINANCING FILIPINO NATIONAL PASTORS

FILIPINO NATIONAL PASTORS PROJECT

Gerald Conde (Laoag)

- **Bible Training School of the Philippines** - School has started back with more than a dozen students
- **Bible Believers Baptist Church** (Laoag) - Two more families that stopped attending back in 2024 have now humbly returned, growing, and are faithfully serving once again. We are grateful for this reconciliation. A new ceiling is being installed in the sanctuary and outreach efforts continue through children's neighborhood meetings, door to door outreach, public schools, and to the officers at two local police stations and inmates at two local jail ministries.

Angel Azucena (Angat)

- **Teen Camp 2026** - We thank and praise God for a successful Teen Camp with the theme "Striving Together." It was a wonderful opportunity for the young people to grow in their relationship with the Lord through the preaching of God's Word, Bible studies, prayer, and Christian fellowship. The camp encouraged the teens to stand firm in their faith, work together in unity, and remain committed to serving Christ.
- **Sportsfest 2026** - We thank and praise God for the opportunity to hold our Sportsfest as an outreach ministry. The purpose of this event was not only to enjoy sports and fellowship but also to invite unbelieving young people so they could hear the Gospel of Jesus Christ. By God's grace, 55 young people attended, and each one was given the opportunity to hear the message of salvation.

Daniel Balibagoso (Baggong Barrio)

- They have reached capacity weekly now on a regular basis. In their recent soulwinning campaign they saw 34 professions of faith and have conducted several baptisms this month. They continue to disciple younger believers while also training them how to serve. This is a picture of Jesson, the 40 yr old husband of one of our church members, Sis. Aveigail. Daniel had the honor of sharing the gospel with him and Jesson got saved.

TEACHING, TRAINING & FINANCING FILIPINO NATIONAL PASTORS

FILIPINO NATIONAL PASTORS PROJECT

Marlon Nebre (Cacarong Matanda and Real De Cacarong)

- **BIBLE STUDY MINISTRY** - Our Bible studies continue in different homes and communities providing opportunities to teach the Word of God while building relationships, encouraging families, and reaching people with the Gospel.

- **DISCIPLESHIP MINISTRY** - Discipleship continues to help believers grow, serve, and reproduce themselves in others meeting at different times – morning, afternoon, and evening—to accommodate different groups. We currently have discipleship groups for: Young Ladies, Young Men, Mothers, Fathers, and Couples.

- **ONE-ON-ONE DISCIPLESHIP** - We are also continuing personal, one-on-one discipleship with the goal of giving more focused attention to individual spiritual growth. Our prayer is that those being discipled will eventually disciple others as well.

- **CORE LEADERSHIP DISCIPLESHIP AND MEETINGS** - We continue to invest in our core leaders through discipleship, mentoring, and regular meetings to develop faithful, dependable, and spiritually mature servants who can help carry the work of the ministry.

- **JUNIOR CHURCH MINISTRY** - Our Junior Church continues to minister to children through Bible lessons, songs, activities, and personal interaction every Saturday and Sunday.
- **GOVERNMENT AND COMMUNITY MINISTRY** - God has opened doors for us to preach and share the Word of God in different government and community settings such as the Municipal Hall, Jail Ministry, Senior Citizens Ministry, Barangay Hall Family Development Ministry, and Hospital Ministry.
- **CAMPUS MINISTRY** - The Lord has also given us opportunities to minister to students, particularly in Grades 6 and 7. We are praying that God will use this ministry to reach young people early in life, help them make godly decisions, and establish their lives upon biblical truth.

Jayvee Ganelo (Siling Bata)

- For all who have served faithfully in ministry long enough, you surely know the hurt of losing someone whom you invested a great deal in. Pastor Jayvee

FILIPINO NATIONAL PASTORS PROJECT

lost one of those young men who turned on him earlier this summer. This left pastor discouraged for a time but he is still surrounded by some amazing young men who continue marching on and leading people to Christ. Michael Samodio (tie) is one who is as bold as anyone I have ever met at sharing the gospel. Here he is witnessing to other young men who would accept Christ as their savior.

Marlon Manio (Catmon and Pulong Buhangin)

- The Reyes family got saved starting with father, Ariel Reyes, mother, Babie Reyes. Their eldest son` Alvin and wife Cheryl, sister Catherine Reyes and brother Alden Reyes soon followed.
- Several of these young men came to Christ while participating at a Sportsfest.
- Mrs. Manio became the new principal at one of the local public schools and she was also able to lead a few of her cousins to Christ recently.
- The Bautista family also accepted Christ.
- The Manio family were able to secure a new Tricycle for personal and ministry use

Ralph Anino (Angat)

- Ralph and his wife, Kenny Ann, are expecting their second little girl.
- They had 9 teenagers accept Christ following their recent Sportsfest.
- They are also continuing to lead Bible studies, disciple young believers, and go out on door to door soulwinning.

Bedic Gagbo, Isagani, and Steven Sandiego

- Bedic and his wife remain faithful in their service to the Lord in Woodbridge. Sheena has started a Ladies fellowship in her church and they continue with their faithful members.
- Isagani recently had 2 saved recently at his church.

FILIPINO NATIONAL PASTORS PROJECT

- Steven and his wife Jelly are expecting their first child in early 2027. She is now in a high-risk situation due to her increased blood sugar and a UTI. She is now injecting insulin twice a day and because of her condition they travel back and forth to the hospital regularly to monitor her situation.

That All Filipinos May Know!

Pastor Rickey L. Clemons

Shepherd Bible Institute

This is the architectural drawing of our future addition to our school which we will build as soon as the Lord provides. Phase One will be the first floor at a current estimated cost of \$220,000 USD. It will contain men's and women's bathrooms and 6 multipurpose classrooms for both Bible and Vocational training. It is our desire to equip our students with the Biblical training they need to either serve in or plant local New Testament churches while also offering trade skills that will enable them to help with their financial support. We have already raised \$80,000 of this amount but need help with the rest. Please consider this Mission project. If you have questions or would like for me to come and present this opportunity to your church and report on the FNPP, please contact us at (256)778-8844 or email me at pastorclemons@somervillebaptist.org.
