Dear Pastor and Friends,

Most of you know the story of God healing Bro. Marcos Makin, Jr. 24 years ago. Junior laid in his hammock at the point of death. He had been sent home to die by 3 hospitals: Belize City, Belize, Merida, Mexico and Guatemala City, Guatemala. His Dad had spent all his money trying to keep him alive. His dad asked Bro. Tim Parker and myself if we would come to Corazon Village and pray for his son (Junior) who was at the point of death.

We left the village of Mabilha and drove to the village of Corazon. I remember walking into the grass hut and the smell of death had filled the house. I remember Junior's mother crying as she stood by the fire cooking a meal.

And his brother was shaking all over from crying. We began to read healing scriptures to him from the Bible. About 15 of our pastors gathered around the hammock where Junior was lying. We anointed him with oil according to the book of James 5:14. After we finished praying and anointing him with oil, we asked Junior if he believed God had healed him. He could barely talk but he answered, "Yes, God healed me". He was still lying in the hammock.

We left Corazon and returned to the States. A few days later, I talked to one of our pastors and he said one hour after we left, Junior got up out of the hammock. He was completely healed. A few weeks later, we were back in Pueblo Viejo Village teaching a Pastor's School when Junior walked in the door. Our school had to stop for a while. People were shouting, praising and glorifying God for the miracle that we had witnessed take place right before our eyes.

At the present time, Junior has been voted in as pastor of the church in San Pablo Village where his dad pastored before he died in June of this year. The Lord had bigger plans for Junior than death at 18 years old. Satan tried to kill him...BUT GOD!!!

The Pastors School really went smoothly for a change. We had no problem getting the Guatemala pastors across the border. We had 41 pastors in school. Bro. Stanley Kilgore and Bro. James Harden did an excellent job teaching in the school and in the night services. We have had 36 people to accept Christ as their Savior since we were there in May, including a 94 year old man who heard one of our pastors on the radio. Praise God for this man getting saved and baptized before it was too late.

Thank you so much for your prayers and support for the work God has called us to do.

Your Brothers In Christ,

Bro. L. Wayne Anderson
Bro. Tim Parker
