Dear Compassionate Friends Making A Difference,

Greetings once again from Yopal, Casanare.

Changes In Colombia

The new President has been working hard to establish protections for the freedom and wellbeing of the citizens of Colombia. It is an ongoing process. Please help us pray for Colombia to have a peaceful and respectful atmosphere in the daily lives of its people and in the fear of God (1Tim. 2:1-4).

Paperwork (Pastor Abraham)

Right after receiving my papers for my visa, I was in the process of getting paperwork that Pastor Abraham needed to renew the visa for his wife and son. We hope to know more about that in the coming weeks.

Trying to Plan

As we have encountered uncertainties in scheduling medical appointments in Bogota, we have been unable to organize and really get off the ground with things here in Yopal. Please help us pray for Esteban and his plans for a construction project on a lot he is investing in.

We have been getting a few things we need such as a hymn player, wireless microphone, a serving set for Lord's Supper and others. There are several other things that we hope to be ready with in the coming weeks.

Waiting on the Lord

We have been attending a small church. I have been asked to do more to help with preaching and teaching. Our main goal is to start a new church.

Martha – Eye Surgeries

About the first of October Martha began to have severe headaches with dimness in her vision seeing something like curtains. She had to have emergency retinal surgery on both eyes. Please help us pray for her recovery. Bright light really bothers her. It takes a few weeks to heal.

Visit With the Neurologist

After waiting 21 months, I was able to see the neurologist, he ordered a CAT scan and is studying if I should have the deep brain stimulator implanted in my brain. Please help us pray for that. He gave me a new medicine that has been on the market in the U.S. for about nine years. It seems to help, thank the Lord.

It is hard to believe that 2026 is almost gone. Thank you for praying for Timothy. He plans to spend Christmas vacation here. Hannah and her husband Josh plan to visit for Christmas holidays. Thank you for faithfully praying and giving. May the Lord greatly bless all of you this season with His presence in your hearts and lives.
